

A.R.R.C. at S.P.C.A. Fundraiser

A.R.R.C. recently had a stand at the S.P.C.A. fundraising day at the Historical Village. Whilst we ourselves did not make much money we were a popular stand with a lot of interest.

Our profile was defiantly lifted by being there and lots of animal and bird questions answered, we also gave out handout with vital information on basic first aid and care if wildlife was found.

It was a beautiful day and very worthwhile being there.

The stand was manned by Chrissy, our Rehabilitation Manager, and Fran one of our younger volunteers who helps out at our centre.
