

ARRC (Animal Rescue & Rehabilitation Centre) has a Vision to have a nation where our wildlife, animals and natural heritage are respected and cherished. With your support we can make this a reality.

Since its inception in 2003, ARRC Wildlife Trust has provided specialised services, programmes and facilities for the rescue and rehabilitation of wildlife and animals in the Bay of Plenty. We demonstrate, educate and inform our community about the importance of respect and responsibility for the well being of our wildlife, animals and natural heritage.

How you can help, everyday

1. Always respect animals, wildlife and their environment.
2. Clean up your waste, recycle where possible and use natural resources wisely.
3. Look after your pet responsibly and ensure that they are cared for and do not threaten wildlife.

Volunteers

ARRC is always grateful for the work that is done by our volunteers who offer invaluable assistance in housing, feeding and transporting animals whilst being rehabilitated. If you too would like to make a difference and become an ARRC volunteer, please just get in touch. We would welcome your support.

Donations

ARRC is a not for profit trust and is totally reliant on public funding. Without the support of our local community we would not be able to continue the work we do. If you would like to make a donation, either in goods, such as food, or financially through a donation or fundraising, please get in touch with us. Our contact and account details are listed below.

Monthly support

Monthly donations provide ARRC with consistent and reliable income which means we can focus less on fundraising and administration, and more on rescuing and rehabilitating wildlife and animals.

One-off donations

To make a donation, visit our website or alternatively make a direct donation into our bank account below.

Bequests

For a confidential discussion about a bequest or an endowment, please contact us.
